

Comprehensive Consultation
Psychological Services, PC.

LD Project

The Queensborough Community College Office of Services for Students with Disabilities and Comprehensive Consultation Psychological Services

Present:

A Close Look Into The Relationship Between Socio-Economic Diversity and Neuro Psychological Assessments

COVERED TOPICS WILL INCLUDE:

- Learning Disabilities- how they present, what to look for, how to seek an evaluation and how to provide support on your campus
- How student's economic and cultural backgrounds affect access to psychological services
- How evaluations for learning disabilities and diagnosis can be effected by cultural differences
- Language barriers: evaluating students and providing academic supports responsibly when language is a barrier to psychological services

Presented by: Sanam Hafeez, Psy.D
Clinical and Neuropsychologist
Director of Comprehensive Consultation
Psychological Services
Faculty at Teacher's College, Columbia University
www.Comprehendthemind.com
