## RESEARCH AREA

Interdisciplinary research agenda on intimate partner violence, intimate partner rape, and femicide. Trained as a clinical and community psychologist, the broader context of gender, culture, and power always informs my work. I ask the question across all my projects: How should models differ across race, class, and sexual orientation? Currently working on multiple projects examining sexual coercion, coercive control, and trauma.

## CLASSES TAUGHT

BA: Psychological Analysis of Criminal Behavior, Global Portraits of Domestic Violence, Gender, Community, and Violence, Multicultural Issues in Forensic Psychology, Culture, Psychopathology, and Healing, Psychology of Gender  
 MA: Trauma and Dissociation, Psychology of the Victim, Family Violence and Disputes, Advanced Research Methods, Research Design Methods, Advanced Psychology of Personality, Clinical Interviewing
