

# Software Engineering Interview Workshop for PhD Students

Are you a PhD student gearing up for technical/software engineering interviews this fall? Join us to learn more about the PhD internship and full-time interviewing process, interviewing tips & best practices, and a chance to practice PhD software engineering interview questions with Googlers. We'll also be able to answer questions about research and engineering at the company too — swag will be available while it lasts!

## When

Friday, December 6  
2 - 4pm

## Where

Science Center  
4th Floor  
CUNY GC

## RSVP

[tiny.cc/cunygq](https://tiny.cc/cunygq)

**Build  
for  
everyone**
